Dear Visitor

Thanks for your interest in the Dutch Club. We have had a particular good year with many new events added to our regular weekly and monthly gatherings.

In December we celebrated the traditional "St Nicholaas Ball Night", and our "St Nicholaas Children's Party", both events are steadily growing in popularity with ever increasing numbers attending both functions. More than 70 kids received presents last year.

The Dutch Festival, to honour the birthday of our Queen Beatrix, held on the first of May, proved to be one of our most successful events ever, with well over a thousand guests attending on the day.

We also have opened up our Club rooms to present the fortunes of our Dutch team in the "FIFA World Cup Football" tournament.

Our kitchen is well organised with many new and regular Dutch meals and snacks available, as well as a well stocked Shop with Dutch food. Our bar has of course all the regular drinks, but now also Heineken on tap and ofcourse Jenever, our own Dutch spirit.

We would like to invite you to become a member. You will receive our monthly newsletter, not only a good read, but it also makes sure you are timely aware of all the events organised.

If you sign up and pay the fees prior to the 20th July 2010, you will also be invited to our **Free Members Ball**. This is a new event held on the 7th of August, with a free dinner and the party band 'NOVA'.

Our membership fees are:

Membership	Full	Pensioner
First person of household	\$ 45.00	\$ 20.00
Spouse	\$ 22.50	\$ 10.00
Children under 16	Free	-

So as an example, the membership fee for a Mum & Dad with two kids under 16, will be \$67.50 (\$45 + \$22.50, kids free). The membership fee for a pensioner couple is \$30.

Please show your support to the Dutch Club and join today by returning the Membership Application form. Once we have processed the form, we will send you a copy of our constitution and will contact you about the payment of the membership fee.

We are looking forward welcoming you as a member.

The committee.
